INTERNSHIP

Communication Intern May 2022 - Jun 2022
LIFE Mission Kerala Kerala

- Assisted in housing projects for underprivileged communities through data analysis and project coordination. Interacted with 100+ individuals to gather feedback and ensure effective project implementation.

Intern Nov 2021
InQbe Innovations Kochi, Kerala

- Explored IoT solutions and their practical market applications. Gained insights into innovative technologies and their implementation strategies.

PROJECTS

Automatic Diaper Disposal System

My academic project focuses on developing an efficient and hygienic automatic diaper disposal system that utilizes sensors and smart mechanisms to minimize human intervention and maintain cleanliness. To inform the design, we conducted a comprehensive survey involving over 150 families to gather valuable insights.
